

Wolverines Will Host Reno Team Here Saturday

Truckee-Tahoe Loses To Stewart 21-7 In Contest Here

The Stewart Braves for the first time this season broke into the win column Saturday afternoon at the expense of the Tahoe-Truckee Wolverines. The final score was 21 to 7. The game left the Wolverines with a won-lost record of 1-3 for the season.

The Braves' first score came midway in the first period as Joe Rivers, hard running Stewart fullback, carried in from the one-yard stripe. The conversion was good and Tahoe-Truckee trailed 0-7.

In the second quarter the Wolverines recovered a Brave fumble on the mid-field stripe. Two plays later Fullback Dick Mandeville slipped off left tackle, and with good blocking powered his way 35 yards and the score. The first conversion attempt was wide, but the Braves were detected offside and the Wolverines had another chance. This time Mickey Williams, diminutive fullback, kicked a perfect extra point with a barefooted placement to tie up the game at 7-7. No further scoring threats were made by either club before the half.

All Braves

The third period was all Joe Rivers and his Braves as they opened the period with a 68-yard drive and their second score of the game. The score did not come too cheaply, however, as a determined Tahoe-Truckee defense held the Braves on the 9-yard line and once again on the 4-yard line before giving way before the powerful running of Rivers. The conversion attempt following the touchdown was good and the Braves led 14-7.

In the final period Stewart went 60 yards in four plays, with Rivers carrying in from the three for their third and final touchdown. The conversion again was good and the game ended with a final of 21 to 7 in favor of the Braves.

The Wolverines were hurt by the losses of Tom Dolley and Mike Vieu early in the game, but the big difference appeared to be the running of Joe Rivers for the Braves. Tahoe-Truckee playing hot and cold showed some of the type of playing that led them to victory in their first game of the year. Penalties, fumbles and mistakes at wrong times did not give them an opportunity to ever really get rolling.

Reno Here

Saturday the Wolverines host the Reno Ramblers at the high school field with game time set for 2:30. The Wolverines were originally scheduled to play the Reno J.V. squad but a switch was made last week after a mutual agreement between the two schools. The Ramblers, which is the second variety at Reno HI, has won four and lost two so far this season.

Tahoe-Truckee held a full game condition scrimmage Tuesday afternoon in preparation for this non-conference game. The loss of Mike Vieu for an indefinite period will be felt by the club, but it is hoped that he can be used in a limited capacity as a place kicker for the remainder of the season.

Date Changed

One other change in the schedule should be noted. The Wolverines were to travel to Lovelock on Saturday, October 30 for their final conference game. The game has been moved up to Friday afternoon, October 29, so that the Nevada school might attend the Nevada Day celebration set for the 30th at Carson City.

BENHARD FILES IN BANKRUPT ACTION

COLFAX—Mr. and Mrs. Hans Benhard, who formerly operated a restaurant here on Highway 40, have filed a bankruptcy petition in the federal court. They report debts of \$19,431.15 and assets of \$87.33. The first meeting of creditors will be held in Sacramento at the Post Office building on October 21.

Mrs. Hallett Employed As Utility Clerk Here

Mrs. Eve D. Hallett has been employed as a clerk at the office of the Truckee Public Utility District, replacing Mrs. Roy Elf who resigned recently to accompany her husband to Dixon where the latter was promoted by the Bank of America. Mrs. Hallett has resided here for some time and is well known.

Catches Large Rainbow—

Mrs. C. H. Ray has her sons Albert and Sam Bradley, and their friend, Red Blair, all of Roseville, as guests during the hunting and fishing season. Albert Bradley, who concentrated on fishing last week, caught a rainbow in the Truckee river which weighed five pounds.

Addition Doubles Capacity Of Local Catholic Church

Work is being rushed on a new \$15,000 addition to the Truckee Assumption Catholic Church, designed to increase the capacity of the edifice by 100.

The addition, being constructed by Paul Wright of Lake Tahoe, extends west from the north end of the old structure and connects with the garage in the rear. It is being built to provide additional seating room for services and at the same time can be shut off from the present chapel and be used as a recreational hall for the young people, Father P. J. O'Neill pointed out.

A kitchen with cooking facilities is being added so that refreshments and meals may be served on special occasions.

One of the new stained glass windows for the new addition has been donated by Mrs. Vivian Summerfield.

When completed, the church will have a seating capacity of approximately 225, Father O'Neill said.

Zellerbach Donates Home To College

J. D. Zellerbach of San Francisco has donated his home at Sugar Bowl at Mills College and plans are already underway to convert the huge dwelling into a 30-bed college dormitory for the Mills students.

The transaction conveying the \$50,000 home and property to the school was completed last week.

The place is ideally located for both winter and summer activities.

SCOWS LEAVE TO LIVE IN PORTERVILLE

Dr. and Mrs. Oliver Scow and family left this week for Porterville where he will establish an office after practicing dentistry in Truckee for the past three years.

Both Dr. and Mrs. Scow were quite active in civic affairs while here and their departure will be regretted.

Mrs. Heller Is Named Sunshine Girls Official

Mrs. Charles Heller had the honor of being reappointed as deputy state organizer of California for the councils of Pythian Sunshine Girls. Mrs. Heller accompanied by Mrs. Eugene Welch will go to Sacramento on Saturday to attend a district convention of the growing organization and to assist in forming a council in the capital city.

Weather At Truckee Continues Summery

Despite a strong south wind and scattered clouds which prevailed here Monday and Tuesday, the local weather scene without precipitation returned to the warm, sunshiny days which have been enjoyed for many weeks. Early morning temperatures dropped to near the freezing mark but the mercury soars to near 70 each day.

Wyethia Members To Aid Blood Collection

Wyethia Club members will serve refreshments between the hours of 2-7 p.m. to donors of blood at the bank being held today at Tahoe Forest Hospital.

Mrs. Fred Pedley may be contacted for transportation to the hospital by members of the club wishing to donate blood to the greatly needed reserve supply.

Currans Welcome Fourth Daughter At Hospital

Shauna Kerry, fourth daughter of Mr. and Mrs. William Curran, was welcomed into the family at Tahoe Forest Hospital on Saturday, October 16. Shauna admitted to a plump 7 pounds, 6 ounces on arrival.

Washoe Project Will Be Aired At Meeting Monday

Local Interests Invited To Present Views At Reno Session

C. Edmunds will represent the Truckee Public Utility District at a public hearing to be held in Reno Monday morning for a discussion of the proposed \$43,000, 000 Washoe project by the U. S. Senate Subcommittee on Interior and Insular Affairs.

The utility district, the Truckee Chamber of Commerce, the Nevada County Board of Supervisors and various other groups and organizations are opposing that part of the proposed project which affects the Truckee river basin.

The meeting has been called by Senator George W. Malone of Nevada. All interested parties have been invited to attend and will be given an opportunity to express their views relative to the improvements considered in the Bureau of Reclamation feasibility report and the interim survey report by the U. S. Corps of Engineers.

Review Reports

These reports will be reviewed with an aim for investigating ways and means of promoting the huge project designed for flood control, water storage, public land and water development and conservation and hydroelectric power development on the Truckee and Carson river system, Malone said.

Local objection is made on the basis that the project will not benefit any part of this area of California and that it will destroy any potential local development by changing the present flow of the Truckee river and by diverting water from the Little Truckee into a reservoir at Stampede Valley from which it would be conveyed directly into Nevada through a proposed five-mile tunnel.

Divert Truckee River
This tunnel would divert California water, objectors declare, to power plants in Nevada and kill forever any chance that similar plants could be erected to provide similar power development in this area.

Senator Malone, in extending the invitation said the review of the reports and later supplemental reports will be studied with the objective of arriving at an agreement for project construction that can be recommended to the 84th session of congress with hopes for favorable consideration.

Hearings are also proposed in California to give the local objectors a complete hearing, Edmunds said.

Teacher Speaks Before Meeting Of Rotary

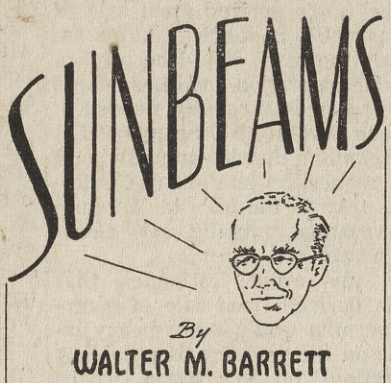

Miss Peggy Muir who spent the past summer visiting various parts of interest in Europe, spoke Monday evening before the Truckee Rotary Club at Donner Lake Resort. Motion pictures taken during the trip were shown. The speaker was introduced by Miss Thelma Finger.

Visiting Rotarians were Bill Randall, Cliff Anderson, Hal Wright and Henry Toccalini and Ed Grant both of Truckee were guests. Alvah Hooper presided and Johnny Ciardella was program chairman.

Federal Jobs Available, Post Office Announces

Federal jobs as clerk, \$2500 to \$2950 a year, and as accounting and auditing clerk, \$3175 to \$3795 a year, will be filled in federal agencies in California and Nevada by persons who apply before the closing date of October 25, Eleanor Dominguez, civil service representative at the Truckee Post Office, said today. Applications should be sent to the commission's office at 630 Sansome street, San Francisco. There is no maximum age limit, and persons as young as 17 years may apply for the general clerk positions.

No experience is required for clerk positions paying \$2500 and \$2750 a year, and a year of clerical experience will qualify for positions paying \$2950 a year. Men are especially sought for the general clerk jobs.

By WALTER M. BARRETT

We believe that any state official who recognizes the fact that an important part of the State of California lies east of the Sierra Nevada and is thus entitled to share in benefits provided the more populated valley and coastal areas, is entitled to the support of the voters of this region. Such a man is Paul Leake, third district member of the state board of equalization, who has fought a hard campaign to retain the post to which he was appointed by former Governor Warren in 1952. Leake has done much to draw attention to the shortcoming in the state board, he has shown a fearless determination to clean up illegal practices in the liquor industry and has pointed the way to put that industry on an unquestioned legitimate basis. But above all, so far as this district is concerned, he has shown a personal interest in its welfare. He has made a study of the conditions and is sympathetic to its needs. His frequent visits, his expressed desire to assist in all problems falling under his jurisdiction and his sincere, forceful attitude in dealing with unsavory and illegal practices here and elsewhere should entitle him to our support. He is one of few state and district candidates to take time personally to inquire into our needs and work toward their fulfillment.

TWO ACCIDENTS IN DISTRICT REPORTED

Only two minor automobile accidents marred the record of near-record traffic in this area during the past week, the California Highway Patrol's Truckee squad reports.

Minor injuries were suffered by Miles J. Myrri and Mrs. Robbie Myrri of Tahoe City when the car driven by the former left the highway and crashed into a telephone booth half a mile west of Kings Beach at 8:20 p.m. Saturday. The injured were taken to the Tahoe Forest Hospital where they were treated.

Patrolman Roy Stallard cited Myrri for driving too fast, being on the wrong side of the highway and not having his car under control.

A rear end collision at the Nevada state line Monday evening wrecked the cars driven by Louie Gomes, Los Angeles, and Sidney D. Baker, San Francisco. Baker was cited by Patrolman T. F. Sheehan for following too close.

Gomes said a deer jumped into the path of his car and he applied the brakes. Baker could not stop and crashed the rear of the car. No one was hurt.

Mrs. Heller Honored At Rebekah Meeting

Naomi Rebekah Lodge No. 2 honored Mrs. Pearl Heller, district deputy on her official visit, Wednesday, October 13 following a potluck dinner. Mrs. Lenore Vind, vice grand, presided at the session, and Dorothy Kay introduced Mrs. Heller and Valerie Stewart presented her with a bouquet of roses from Mr. Heller. A gift from the members was also given to the visiting officer.

Beverly Wilson was heard in vocal solos before Mrs. Heller presented Lucille Bick, treasurer, with a friendship gift.

Initiation ceremonies will be held by the lodge on November 10.

Up From Valley—

Mr. and Mrs. E. J. (Mike) Sullivan and two sons were visiting here with the former's father, E. D. Sullivan Monday. The younger Sullivan is a realtor in the capital city.

On Retreat—

Father P. J. O'Neill this week is starting Catholic retreat at Sacramento.

McGees Here—

Mr. and Mrs. Garing McGehee who have bought property outside of Nevada City visited local friends on Friday.

Morey Reelected To Head Local Athletic Group

Inter-City League Planned For Basketball Games This Year

Daven Morey was re-elected as president of the Truckee Athletic Club, Inc., at a meeting held on Monday in the Truckee Elementary School. Al Cavallo will take office as vice-president; Mrs. Eva Hallett, secretary, and Lloyd Everett, treasurer.

Directors of skiing are Bill Campbell and Herbert Copeland; baseball activities, Al Wakefield, Ed Frates; basketball, Al Wakefield, Miss Esther Harris, Mrs. Jack Ellis; softball, Mrs. Herbert Copeland and Bill Campbell.

It was decided to form a basketball league composed of six teams, a town team to participate in outside games to be picked from the league. Those interested in forming a team are asked to see Al Wakefield or to attend the next meeting of the club to be held November 15 in the Truckee Elementary School building.

Women of the organization are taking part in volleyball, badminton and basketball each Tuesday evening at 7:30 p.m. in the Tahoe Truckee High School.

The club, Morey said, will join the Far Western Ski Association with members benefitting by rates at the different ski tows.

Renewals of memberships and new members will be accepted at the next meeting.

Passengers Escape As Bus Leaves Highway To Avoid Collision

Twenty-five passengers on an east-bound American Bus Lines bus were jarred but otherwise uninjured Tuesday afternoon at 4:15 in an accident one mile east of the intersection of Highway 20 with Highway 40.

The mishap was caused when a car driven by Jasper Neuly, Sonora, attempted to pass one driven by Laurence Kishman of Cedar Ridge. Seeing the approaching bus coming in the opposite direction, Neuly applied his brakes and cut back but hit the Kishman machine sending it into the path of the bus.

The bus driver, Herman Hunter of San Francisco, swerved to miss the Kishman car and in so doing the bus ran down an embankment. It did not overturn and no injuries were reported. State Patrolman Roy Stallard made the investigation.

Youthful Cousin Of Local Woman Expires

Mrs. Harry Digesti left yesterday morning to attend the funeral services for her cousin, Leonard Mickeli, a 17-year-old Burlingame high school student who died suddenly while playing football Monday. The youth, a 6-foot, 180-pound athlete, had just received a long pass and was returning to the line of scrimmage when he collapsed, apparently from a heart attack.

Just prior to the game he had been given a thorough physical examination.

The boy is survived by his parents and a brother, now serving in the army.

Local Boy Pledged In U.N. Fraternity

RENO—University of Nevada has announced that 138 students have pledged membership to some seven campus fraternities.

Students remain on pledge status for one semester of school, following which they are initiated into active membership if required grade averages have been met.

David Cook of Truckee pledged Lambda Chi Alpha.

PRISON POPULATION

SACRAMENTO (CNS)—The state department of corrections reported that California's prison population passed the 15,000 mark in September.

The department said the number of inmates totaled 15,059, a 10 per cent increase over one year ago.

Dent In Machine Saves Life As Boy Injured In Mishap

A small dent in the frame of a lumber carrier at the yards of the Stockton Box Company plant here may have saved the life of Simon Dominguez, 20, well known Truckee young man, who was pinned under the heavy equipment Monday morning.

Dominguez was operating the carrier when it suddenly overturned, pinning him to the ground. Fortunately, his body fitted into the slight dent of the frame and while he suffered a crushed right shoulder blade and an injury to his pelvis his condition is not believed serious.

He was rushed to the Tahoe Forest Hospital following the accident shortly after starting work Monday morning. Dr. Ben King said that the youth will be incapacitated for some time because of the nature of the shoulder injury.

Body Found In Car Identified By Prints

The body of a man found in an empty boxcar on the siding at the Stockton Box Company yards here last Thursday has been identified as that of James Patrick O'Brien, 49, an itinerant laborer.

Identification was made, Coroner Alvah Hooper said, through fingerprints sent to the California Criminal Identification and Investigation Bureau. They matched those of a man released from the San Joaquin county jail at Stockton on October 10.

The body was discovered by workmen at the mill here when they opened the car preparatory to loading lumber. The remains of a fire on the floor of the car caused Constable N. F. Dolley at first to advance the theory that O'Brien suffocated but later an autopsy revealed he had expired from pneumonia and a heart disorder.

Graveside funeral rites were held at the Truckee cemetery under the direction of the Truckee Colonial Mortuary. Efforts to locate relatives proved fruitless.

O'Brien, according to the San Joaquin county records, was a native of Corning, born December 19, 1905.

Change In Program At Theater Is Announced

KINGS BEACH—Due to inability to secure the programmed film, "Rear Window," Manager Tom Lucas of the Broadway Theater today announced that he has booked "Knights of the Round Table" featuring Robert Taylor and Ava Gardner, to replace it on Thursday and Friday of next week.

Property Values For County \$33,845,280

SACRAMENTO (CNS)—California property values subject to local taxation total \$18,228,976.091, State Controller Robert C. Kirkwood said today (Wednesday). Kirkwood said property values in Nevada County amount to \$33,845,280.

The statewide value does not include tax exempt property worth \$1,062,841,883, the controller said.

Employment Gains In State During Month

SACRAMENTO (CNS)—Factory employment in California during September totaled 1,068,000 workers, a gain of 5800 over August, the state department of industrial relations announced.

The department said the total was 37,000 under that of a year ago. Most of this drop was attributed to losses in durable goods manufacturing employment.

At Bay—

Mrs. P. Petroni was an Oakland visitor this week.

In Oregon—

Hes Cardinal went to Wheeler Ore., where he entered a hospital for treatment of a recurring back injury.

School Board To Study Plan For More Classrooms

Bradley Board Chosen To Represent Summit On Board

The appointment of Bradley J. Board of Soda Springs as a member to replace W. A. Loynd of Truckee who resigned several weeks ago, and a discussion on the possibility of enlarging the Truckee elementary school facilities, featured a meeting of the governing board of the Tahoe Truckee School District Monday.

The appointment of Board to fill the vacancy was in keeping with an agreement when the district was organized to have representatives from the various centers of population in the district. Since President Fred Pedley, also a Soda Springs resident, will be moving to Truckee in the very near future, Board's appointment will keep a representative from the Summit area on the governing body.

Board is employed in the operation of the Magic Carpet in the Sugar Bowl. He is married and has two children.

Plan New Structure

The board Monday tentatively discussed the need for enlarging elementary school facilities here, it being pointed out that currently there are more than 250 attending the first six grades of the elementary school here, in a building designed for a maximum of 132.

While no definite decision was reached, the board members explored a plan to erect a new three or four-room school house on the high school property a mile west of Truckee. This structure, to be erected without a bond issue, would be designed so as to permit additional rooms as the increase in enrollment demanded. There is not sufficient room at the present building on Church street to permit such an increase, all available space having been utilized last year when two new classrooms were added.

Before any definite action is taken, a public meeting is planned to permit the board to learn the general attitude of the taxpayers. Enrollment in all schools of the district has shown a continual and substantial gain during the past five years.

DEER HUNTING TO END HERE SUNDAY

The current deer hunting season ends here Sunday.

For the most part the season has been better than normal in the number of hunters in the field and the number of deer killed. However, there are still numerous local sportsmen who have only three days left in which to bag their buck.

The constant dry weather has been blamed for the fact that the deer have remained in the higher elevations and can easily hide in the heavy brush without being tracked by the hunters.

Carol Gracik Honored At Birthday Reception

A special cake, topped with eight candles indicated the age of Carol, daughter of Mr. and Mrs. John Gracik at a party given by her parents on Saturday afternoon.

Witches and pumpkins and other orange and black appointments were chosen for the occasion. Small friends who played games in the garden were Diane Cardinal, Lilani Braasch, Marcia Leamon, Frances and Judy McGinn, Jean Wakefield, Wilana Curran, Steve Besio, Kary Kielhofer, Robbie Kaspian, Gary Costa, Gary Waters, Evelyn Hintz, Cindy and Donna Gracik.

MILD WEATHER AT TAHOE CONTINUES

TAHOE CITY—Mild temperatures continue to feature the weather picture at Lake Tahoe. The lowest mark for the past week was reached Monday with a cool 30 degrees, with daytime highs ranging from 63 to 68.

No precipitation had been recorded up to Tuesday, although skies were partly overcast and a strong south wind prevailed Tuesday.

The lake level, with six gates open stood at 6226.65 feet on Monday, Art Frodenberg, cooperative observer, reported.

Visit Here—

Mr. and Mrs. Kenneth Shreck and daughter of Sacramento spent the weekend at their home near Donner Lake.

Nevada City Couple Here—

Mr. and Mrs. James Leamon and son, Jim, of Nevada City were here yesterday. Leamon will work with the Fish and Game Department in Capay and Chico for several weeks.

Tahoe Residents Move To Palm Springs Homes

Palm Springs population is being swelled this week by Mildred and Snowden Burch of Kings Beach, who write that they have their trailer house all set up for the winter. William Paquet, who makes his annual trek there from Meeks Bay. The John Dixon address has also been changed to a ranch at Palm Springs from Crystal Bay, Nev.

John Heffernan of Kings Beach has reversed the procedure, leaving Palm Springs for Las Vegas.

IT'S WISE TO ADVERTISE!

AFFAIRS OF STATE
by
Henry C. MacArthur

SACRAMENTO (CNS)—California can look for legislation in the 1955 session which will require a camping permit at probably a dollar a year, according to Senator Charles Brown, of Inyo County.

The senator says the proposal is the result of the state's increasing population, which is resulting in the pollution of streams not only in his own county, but also in Mono County, which is a part of his district, and the counties famous for their camping attractions.

The funds derived from sale of the permits, if the legislature approves the plan, would be used to provide sanitation facilities where they are most urgently needed.

More than 100,000 campers visit the senator's district annually, and it is a question how many Californians take to the hills for a camping vacation annually, says Senator Brown.

In any event, estimates that funds derived from sale of camping permits would make heavy inroads on the problem of providing sanitation in the areas where streams pour into communities which use their waters for domestic and other purposes.

"People are now required to have a fire permit for camping," says Senator Brown. "We are informed that most of the campers expect to pay for the fire permits, which are given out free of charge. It seems reasonable to me that anyone who wishes to use the camping areas of the state would be willing to pay a dollar a year for the privilege, with the understanding that the state would provide sanitation facilities where possible to prevent stream pollution."

"The problem is one which is rapidly becoming state-wide, as more and more people use the recreational facilities of California's camping areas, and something must

Only Few Trout Left For Planting This Year

With a successful trout season nearing its close, the egg taking program of the Department of Fish and Game, which will see more than 25 million eggs taken for hatchery purposes, has gotten underway.

First eggs were from rainbow trout brood stock at Hot Creek Hatchery in Inyo County and the program will be carried out also at the Mt. Shasta and Mt. Whitney Hatcheries for the remainder of the winter and spring.

In addition to the department's egg taking program at the hatcheries, another three million eggs will be purchased, and eggs will be taken from wild salmon and steelhead. The latter operations will center at Fall Creek, Siskiyou County, on the Klamath river, and on the Eel river, respectively.

About 1,500,000 eggs will be taken from wild salmon, and another million from wild steelhead. Kokanee salmon eggs will be obtained again from Idaho. Other eggs will be obtained on an exchange basis from Oregon, Washington, Wyoming and British Columbia.

Earl Leitritz, department hatchery chief, reported that all hatcheries were operating at near capacity by the end of the season this year, and that next year's output should exceed the record operation of 1954.

Two new hatcheries, San Joaquin river at Friant in Fresno County, and Cedar Creek at Leggett, Mendocino county will be in operation late next year. Cedar Creek will be primarily a steelhead operation.

At the present time, the only charge for camping in California is in the system of state parks, which not only charges for the privilege of pitching a tent, but also limits the time a camper may avail himself of the space. The State Park Commission, which has a policy of keeping the parks in their "natural state," does not permit camping generally unless a campsite is available.

The result is that thousands of campers are turned away from the state parks annually, despite the fact that plenty of space is available in most of the parks for camping. An example is the D. L. Bliss State Park at Lake Tahoe, where only a minor number of camp sites have been constructed by the division, but where more than 900 acres of land are being kept in their "natural state" with the public barred from using the land for camping purposes.

Whether Senator Brown's plan would open more of the state park system to camping is problematical, but at least it will focus attention on the refusal of the park commission to open up available lands.

Nevada County Gets Share Of Road Use Tax

SACRAMENTO (CNS)—State Controller Robert C. Kirkwood announced today that distribution of the Highway Users Tax for August showed a marked increase over July.

Kirkwood said \$5,413,492 was distributed to California counties.

She remembered

Happy is the husband whose wife keeps the refrigerator well stocked with rare flavored, refreshing Olympia Beer.

BURNED CONVICTS FAILED TO ADHERE TO OFFICIAL ORDER

A thorough investigation into the loss of life of three Folsom prison inmates on the Sierra City forest fire of September 23 has been completed, according to a statement made today by Clare Hendee, regional forester of the forest service.

Hendee stated "from the information available, it appears that the victims disregarded instructions which lead to their being burned. Our field investigators found carefully laid tools, blankets and equipment in the brush about 15 feet away from the bulldozer trail which was being cleaned out by the fire crew.

"It is presumed," he said, "that the victims were resting at this spot where they could not be seen, nor could watch the fire. Apparently, the victims did not hear the shouted warnings, but were only alerted by the noise and flames of the fire. Unfortunately, in the short length of time which was then available to them, only one man escaped; three were overrun by the fire."

This fateful incident is deeply regretted by all. The exhaustive inquiry just completed was undertaken to determine cause, as well as to develop all possible information which might be useful in reducing the dangers inherent in combating forest fires.

The deceased were members of the Eureka Diggings Forest Honor Camp, and part of an organized crew. Folsom prison authorities and California Division of Forestry officials assisted the forest service in the investigation.

All-time High Reported In Road Construction By California Group

SACRAMENTO (CNS)—The state department of public works today reported a new all-time high in the volume of state highway construction and under way in California.

\$2,109,401 to cities, and \$15,179,722 to the state highway fund for use on state highways.

This was an increase of \$478,517, or 2.15 per cent, over the distribution for July, and an increase of \$3,711,800, or 19 per cent, over August a year ago.

Nevada County received \$20,600.43, the controller said.

Net revenue from the state's gasoline tax totaled \$20,250,255 for the month. The diesel fuel tax yielded \$1,044,906, and \$1,406,235 was taken from the motor vehicle transportation tax fund.

jobs over a longer period.

Knight said that nearly 1200 miles of multilane divided highway are now in operation on the state highway system, an increase of about 100 miles in the past year.

More than half of this year's increase in multilane mileage consists of full freeways, with no left turns or cross traffic movements.

The mileage of full freeways now in operation in California is 146, with another 140 miles under construction or advertised for bid. An additional 130 miles of divided highway of the expressway type, with some intersections at highway level, is also under construction.

fornia.

Construction value of the 349 jobs under way October 1, the department said in a report to Gov. Goodwin J. Knight, totaled \$207,693,000. The previous high, reached in August, was \$206,977,500.

The new figure reflects a continued trend toward larger individual contracts, providing for the construction of major freeway projects in a shorter time than was possible in previous years. Prior to the increase in highway user revenues provided by the 1953 legislature, limited funds made it necessary to spread major freeway

The mouth of the sea urchin, which is on its underside, has five strong sharp teeth arranged in a circle.

SIERRA SUN ADS PAY!

NORTH TAHOE

By JUDGE HARRY CHARRISON

A Halloween party and dinner will be held at the Kings Beach school on Saturday, October 30. The entire family is invited to attend. Beside the dinner, there will be a costume party for the children and prizes will be given to the children with the outstanding costumes. Cub Scout awards will also be given that evening. Everyone is welcome.

Notice is hereby given that petitions to amend the Ordinance 108-B to provide for trailer control in all zone district areas immediately adjacent to Lake Tahoe, Placer County, have been filed with the board of supervisors of Placer County and that the 8th day of November, 1954, at 10 a.m. in the courthouse, Auburn, has been fixed as the time and place for the hearing of said petitions, and for the hearing of any objections. You had better be there.

Had a very nice visit from Vern Olson, manager of the California State Automobile Association, in the Auburn office the past week-end. Vern represents the AAA in all departments.

It would seem that the local telephone office is all set for the winter. The personnel, I hear, are our old favorites, Wilma Abbott, Alice Sorensen, Lois Preston, Kay Felte, Donna Germaine, with Diana Abbott on the temporary end. Nice array of beauties, I would say.

The Andy Sorensens had as their guests during the past week Alice's sister, Edna, and husband, Mark Pluth from Napa. They just hated to leave the lake.

Harvey Martin, and of course, Mrs. Martin, have left for Palm Springs, and Curly and Mrs. Mason are expecting to live in the Martin's beautiful home on the Truckee shortcut for the winter. Pretty nice for them.

And today, Saturday, Billy Martin and party of four have left for Elko on a hunting trip which will hold them for five or six days. Hope they get something worth while.

Well the O'Connors have left for their winter home in Oakland and we shall sure miss Mrs. O'Connor dropping in on us. Hurry back, folks.

A very nice hall is being built on to the Catholic Church to house the youth movement in Truckee, also three beautiful marble altars adorn the church at Kings Beach. These were presented by Mrs. Marchbank who has done so much for the church. Father O'Neill tells me that mass is being held in Kings Beach at 11 a.m. Sunday mornings and is hopeful it will continue through the winter, and at Tahoe City at 8 a.m. Sunday mornings.

Lee and Mrs. Wilcox of Kings Beach and Sacramento were up for a few days during the past weekend, they are the owners of Glad-Lee Lodge on Bear street. They asked that the Sierra Sun be sent to them at their Sacramento home, just to keep in touch with their summer home town.

Ned Malla already has the foundations in for five sleeping cabins at his resort on the highway in Kings Beach. He sure means to be ready for big things next season.

Deer hunting ain't what it cracked up to be, said Helen Lewis as she limped into Cal-Vada last

AID TO AGED

Average aid of \$65.48 per person was paid during July to the 916 people in Nevada County on the aged aid rolls—a total of \$59,992 for this one kind of public assistance during the month, California Taxpayers' Association said today.

The California Department of Fish and Game issued 11,566 licenses to commercial fishermen in the 1952-53 season.

Tahoe-Truckee School District News

KINGS BEACH SCHOOL
Kindergarten and First Grade: Paula and Debby Martin moved to Palm Springs on Wednesday. Billy Valline is a new first grader in our room. Before coming to Kings Beach Billy had lived in Reno.
Tuesday, Dr. Sklar, Mrs. Pat-noude and Mrs. Cinani came to school to give smallpox, diphtheria, and booster shots to almost half our class.
Thursday, Darryl Lausche brought his toy zeppelin to school.
Second and Third Grades: We play we are firemen during our reading. Mrs. Wing drew a house that is on fire and a huge ladder leading to the house. On each rung of the ladder is a new reading word. If we know all the new words

and get to the burning house we become firemen.
Alton Clotter, a new second grader, came from Las Vegas, Nev., this week. Marcia Tucker left Wednesday for her home in Fall River, Calif. While attending our school for the past month, Marcia lived with her grandparents, Mr. and Mrs. Clyde Frampton at Tahoe Vista.
Fourth, Fifth and Sixth Grades: Everyone has taken part in learning uses of the new dictionaries which we have received.
Our understanding of music symbols has been getting better.
In our class we had 18 people who got either a booster shot or a smallpox vaccination or both. We feel that a small hurt is much better than having a serious illness.

TAHOE LAKE SCHOOL
Kindergarten: A movie on "Three Kittens and How to Care for Them," was the topic of conversation and drawings for two days this week.

One of the most interesting paintings this week was a 12x18 production by Dick Pomin. Subject: "A Man from the Moon."
First and Second Grades: The wasp nest brought to class by Lance Poulsen stimulated a study of wasps and yellowjackets. An information chart followed the discussion. The chart was illustrated by the children.
Third and Fourth Grades: We, the third and fourth grades, listen very well. We were having a buzz session.

Fifth and Sixth Grades: The sixth grade began a review of the introduction to decimals they started last year. On Friday, both the 5th and 6th grades had tests on their arithmetic work for the past two weeks.

The potluck dinner posters, the class made for the P.T.A. affair last Thursday night, must have caught the public's eye. Over 225 persons came for the dinner, and all were served even though the committee members were duly worried for a time—with good reason.

DONNER TRAIL ELEMENTARY
Last summer two of our boys, Strohm and David Woodward, made a visit to New York City. While there they made a trip to the Bronx Zoo. The two boys have been telling us from time to time about the zoo and what they saw there. David and Strohm said that the zoo didn't look much like the pictures so we came to the conclusion that the zoo was very big and the film only showed a small part of it.

TRUCKEE ELEMENTARY SCHOOL
Kindergarten: In our class we discuss and practice good health habits each day. At present on our health bulletin board we have pictures of good foods.

First Grade: The first grade gathered leaves and branches from the trees around the school and homes. These were classified as trees that lost their leaves in fall, and evergreen trees.

In health period the class has talked about good eating habits and about learning to like many kinds of food.

Mary Leavens drew a picture showing safety on the playground. Charlene Robichaud drew a picture about good health in the classroom.
We are studying friends and enemies of the forest. We decided that man is the forest's worst enemy, although he could and should be its best friend.

Second Grade: In science we have been talking about the painting pictures of things seen in the autumn. Jimmy Roth, David Soroni and Eddie King told about the leaves turning yellow and falling. Gregory York told about fall flowers. Steven Van Sickle about birds flying south. Teddy Daniels about frost in the morning. Marcia Leamon about squirrels gathering nuts. Peggy Berger, John Leavens and Skipper Petersen about cocoons.

Third Grade: The changing of the summer season to fall has been a most interesting study in the science class. We have also been studying insects, spiders, snakes, animals and birds of this area.

Fourth Grade: Every Tuesday we may bring a story or exhibit that has to do with science to share with the class. Janice Stewart brought pieces of silver and gold ore. Fred Steele and Jerry Kirby brought books about animals of the world.

Fifth Grade: In science, we have been studying about animals. We have just finished reading about birds. We have learned that a man who studies birds is called an ornithologist; and that ornithologists have been able to discover many interesting things about the migratory and nesting habits of various birds by putting bands on the bird's legs.

Among those who have made reports on birds and their habits are: Pat and Pam Freeman, Mike Armstrong, Richard Donniss, and Vicki Firpo.

In health we have been learning about the importance of good pos-

ture and good eating habits.
Sixth Grade: Health and science are taught and practiced in every phase of subject matter.
Last Friday the class went on a field trip to Stockton Box Company to observe the procedures involved of converting trees to lumber. Messrs. Lew Baysinger, Howard Vaughan and Little conducted the interesting three-section tour. Mess-dames Frank Giovannoni, Charles Kay and Lynn Kishbaugh accompanied us. We wish to express our sincere thanks to these people for assisting us.

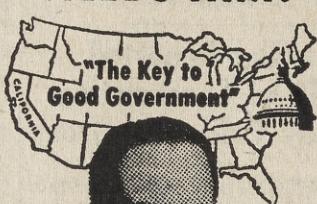

HIGH SCHOOL
This past week the Tahoe-Truckee High School took advantage of the continuing fair weather. Outdoor activities predominated: The G.A.A. Hockey League continued with much enthusiasm; the Archery Club met twice; and the faculty trounced the band members in a noon volley ball contest.

But school was not all play and no work. Deficiency notices went home this week thus serving to remind everyone that the end of the first quarter is only three weeks away.

On Thursday of this last week, Hugh Smith's drama and public speaking class presented the first student sponsored assembly: A mock radio broadcast. It was well received by the student body.

Mr. and Mrs. Grant Lowry of Kings Beach are settled at Van Nuys until early spring when they plan to return to their trailer court.

From where I sit... by Joe Marsh

Smitty's Not-So-Silent Partner

Dropped into Smitty's gas station last week and met his new partner who turned out to be a real talker.
"What'll it be?" asked Smitty. Before I had a chance to answer I heard a strange voice "Fill her up! Fill her up!" And there was Smitty's partner—one of those parakeets perched next to the gas pump.
"Took me a month," Smitty said, "but I finally taught him to say those magic words. It's sure paid off—he's had a good influence on my customers."

TAHOE TOPICS

by JEANNETTE MITCHELL

With winds rocking the pines and making the clouds scuder aimlessly to the far reaches of the northeast and just a tiny trace of wind-driven rain, I will endeavor to bring you the timely topics around our lake area.

Among the many leaving at this time of the year is your correspond-

ent "Swanee," who informed me she was writing her "Swan Song" for this season and moving over to the Big Little City. Again in her absence I will "carry on" to the best of my ability until she again welcomes the robins back.

The weekend of October 9th and 10th saw the Campionville district of the Tahoe National Forest agog with beaver-like activity. The Boy Scouts—one troop from Gridley, one from Olivehurst, were busily trying to out-perform the other in

the accomplishing of a conservation good turn. The Olivehurst Scout Troop worked on cleanup and improvement of the Forest Service campgrounds at Oregon Creek and Pepper Ranch. Gridley Troop No. 24 improved a stand of small polesize timber by removing trees of less desirable species which were competing with pine trees. The work was outlined and general supervision given by the forest service personnel from the Campionville ranger station. This work is part of a Boy Scout program undertaken on a nationwide basis as a result of the Boy Scouts of America theme for the year—"Do a Conservation a Good Turn."

Word from Washington, D.C., states that U. S. Senator George W. Malone, of Nevada, advises that a subcommittee of the Senate interior committee will hold a public hearing in the chamber of commerce quarters, Nevada State building, Reno, Nev., at 9 a.m., October 25, Monday, for the purpose of further investigating ways and means of accomplishing flood control, water storage, public land and water development and conservation, and hydroelectric power development on the Truckee river and Carson river system in California and Nevada. All interested parties are invited to be present at this hearing where they will be given full opportunity to express their views relative to the improvements considered in the U. S. Bureau of Reclamation report.

Mr. and Mrs. Bob Leandardini,

son and two daughters are enjoying a few days in San Francisco.

Also away on a trip but to the southland are the William Connors. Carl Bechdolt was favored again with another happy birthday party at which some thirty friends and family attended. Yvonne decorated the lengthy expanse of the party table with decorations suitable to the season and reason, the color motif was green and gold, balanced with golden candles and woven together with hunters green satin ribbons on which read happy birthday and good luck. I understood that a very dear friend of Carl's also shared the party but due to phone complications this day I am unable to give you further details at this writing—will catch up on that wonder party for you next week.

J. C. Carpenter, director of travel and recreation department of the California State Chamber of Commerce is asking that the different organizations sponsor a contest for outdoor Christmas tree decorations and lighting. This activity has been sponsored over the years by the California State Chamber of Commerce in cooperation with local chambers of commerce and local newspapers to back up such contests. This year both General Electric and Westinghouse have new literature for lighting themes. Just another reminder friends that Christmas isn't so very far away at that.

Mr. and Mrs. Bert Anderson of Pineland, had a very enjoyable and happy trip to San Francisco this past weekend, the event being the arrival on October 2 from Kenai, Alaska, of Mrs. Bessie Tester, Gladys Anderson's mom no less. It was a very happy reunion also opportune convenient to help celebrate Mrs. Tester's birthday on Saturday, October 16. Gladys and Bert proudly presented her with a large and beautifully decorated cake. Mrs. Tester is on a trip, being a missionary from Alaska but though she left immediately for Los Angeles, she is hoping to return and spend a few days at Lake Tahoe with her daughter. However she must make it back to Alaska by certain dates in December or she will be unable to return until spring.

The Howard Guths of Sunnyside are sporting a beaut of a new car—a lovely eight-cylinder Dodge—green and white of color. Harry Mead joined the Guths on a trip over the weekend that took them over Luthers Pass, into Hope Valley, Carson City, on to Reno, the old stand-by and thence on home.

Our little neighbor, Mrs. Zella Mortimer, has had hubby, George, come up and close their Tahoe

CLEAR ROADS MUST HAVE COOPERATION OF ALL MOTORISTS

Californians can have clean roadsides, but not by wishing for them; they must work for them, according to William J. Losh, San Francisco, chairman of the Statewide Roadside Cleanup Committee of the California State Chamber of Commerce.

Losh, who is public relations director for San Francisco's Municipal Regional Service Committee, is appearing at numerous meetings of the State Chamber all over the state.

"There is no easy way to have clean roadsides; we must work hard for them," Losh said. "The formula is simple enough. Public education, making it easy for the public to cooperate, and law enforcement will do the trick."

"It is the application of the formula that is difficult. Our committee has had excellent cooperation in the first phase, public education. There have been literally miles of statements, speeches, resolutions, editorials, cartoons, billboards and other appeals against strewn trash along the roadsides."

"Public acceptance of individual responsibility, however, is lagging far behind. How many persons regularly carry a trash bag in their car—and use it?"

"In the matter of making it easier for the public to cooperate, we are waging an uphill fight. The State Division of Highways, with only a few hundred trash cans out along the 15,000 miles of state highways, is disinterested in providing more."

"Most counties are in the same

category and for the same reason—they dislike the burden of servicing the trash cans.

"Cracking down on can throwers and trash tossers—enforcing the law—might help some, but our committee has consistently taken the position that the public should first be told what is expected of it and given an opportunity to cooperate before cracking down."

"Public acceptance of individual responsibility, followed by pressure on public agencies to provide adequate roadside trash receptacles will go far toward achieving clean California roadsides. Then law en-

The Delbert Bowmans of Homewood have gone to Las Vegas, Nev., for an indefinite stay.

Mr. and Mrs. Ralph Peer of White Firs, Tahama are now in Los Angeles.

The Frank L. James address being changed this week from Tahoe Vista to Inglewood.

forcement will do the rest.

"It's up to the public. Does it want clean roadsides for them? One thing is certain, it won't get them by wishing for them."

OUR BIRTHRIGHT

The late Chief Justice, Oliver Wendell Holmes, once said:

"A river is more than an amenity, it is a treasure. It offers a necessity of life that must be rationed among those who have power over it."

The plan of the Reclamation Bureau under the "Washoe Project" to divert the waters of the Little Truckee River from Nevada County through a tunnel directly into the State of Nevada is a plan to deprive the inhabitants of Eastern Nevada County of their God-given birthright without any compensating factors to the people of Nevada County.

The District urges all interested in preserving the natural resources of this area to unite in the efforts to protect and preserve our right.

A U. S. Senate Committee hearing will be held at the Chamber of Commerce office, Reno, at 9 A.M. Monday, October 25. You are urged to be there.

We're out to make a Record
—and how can we miss with a hit like this?

WE'RE shooting for the biggest October in Buick history and we're willing to go all out to make it.

Right now, Buick is outselling every other car in the nation—regardless of price class—except two of the so-called "low-priced three."

So you know that it has the combination of horsepower—room—comfort—performance—and styling too good to miss.

And it isn't hard for you to figure out that Buick dealers must be offering the kind of prices and trade-ins that the public goes for—because you can't make record sales these days unless you have everything it takes to make a winning combination.

Come in and see us, and you'll know what we mean.

This New Buick Special V8
2-Door, 6-Passenger Sedan
actually costs less than some models
of the "low-price three"

Come in and check the price!

Buick Sales are Soaring
—so Buick 'deals' are bigger than ever right now!

Here's the big 3-Way Bonus we offer in Buick today

1. **Advanced Styling**—the very look of tomorrow, with long, low glamor lines, sports-car snap, and that trend-setting panoramic windshield that most other cars won't have till 1955 or later.
2. **Better Buy**—a lot more automobile for your money—more room and power and ride comfort and solidity of structure—plus the higher resale value of a car that will still be fresh and new-looking well into the future.
3. **Top Allowance**—from the tremendous volume that has put Buick into the top 3 of the nation's best sellers. So you get the benefit of our soaring success in the form of a higher trade-in allowance on your present car. Come in and check!

Osburn's Buick Garage

NOTICE OF GENERAL ELECTION

NOTICE IS HEREBY GIVEN that a general election will be held throughout the County of Nevada, State of California, on TUESDAY, the 2nd day of NOVEMBER 1954, at which election candidates for the following offices will be voted upon:

GOVERNOR;
LIEUTENANT GOVERNOR;

SECRETARY OF STATE;
CONTROLLER;
TREASURER;
ATTORNEY GENERAL;
MEMBER OF THE STATE BOARD OF EQUALIZATION—Third District;
ONE UNITED STATES SENATOR (Short term ending January 3, 1957);
REPRESENTATIVE TO THE CONGRESS OF THE UNITED STATES—Second Congressional District;

MEMBER OF THE ASSEMBLY—Sixth Assembly District;
TWO ASSOCIATE JUSTICES OF THE SUPREME COURT;
ONE PRESIDING JUSTICE DISTRICT COURT OF APPEAL, Third Appellate District;
ONE ASSOCIATE JUSTICE, District Court of Appeal, Third Appellate District.
ALSO, such other State, County and Judicial district, or other offices as are provided by law to be filled at such election.

AND NOTICE IS HEREBY FURTHER GIVEN that at such election there will also be submitted to the vote of the electors such proposed constitutional amendments, questions, propositions, and initiative measures as are required to be submitted by the Constitution and laws of this State.

AND NOTICE IS HEREBY FURTHER GIVEN that at said election the polls will be open at the hour of 7 o'clock A.M. and will remain open until 7 o'clock P.M. the same day. That during said hours the election will be held at the following legally designated polling place in each precinct in said Nevada County, and the following named persons have been legally appointed by the Board of Supervisors to serve as election officers in their respective precincts as follows:

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars (\$175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars (\$175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVII of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or liability or obligation, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and the State Treasurer in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest on such debt or liability or obligation, as such interest falls due, and also for the payment and discharge of the principal of such debt or liability or obligation, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or liability or obligation, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans Finance Committee of 1943, provided for in Section 991, the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars (\$175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be countersigned and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest on the bonds shall be paid on or before the date of maturity to each bondholder by the State Treasurer or his duly authorized agent, or by any other person authorized by the State Treasurer to make such payment. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 993 and perforce the bonds so paid will be deemed to have been paid in a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such

Relics and mementos of early-day West are on permanent display in the Wells Fargo Bank History room at San Francisco.

Temporary or interim bonds, certificates or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, and the expense any cost of such additional notice shall not exceed the sum of five hundred dollars (\$500) for each sale as advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively for the redemption of such bonds, or for payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds of the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the State of Nevada, or of any other political subdivisions of the State of California, and to sell such bonds, or obligations, or to use such proceeds for the redemption of such bonds, or for payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds of the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects for the redemption of such bonds, and approved by the Governor, the Veterans' Finance Committee of 1943 shall have the authority to issue bonds authorized under this article in order to carry such plans and projects. The bonds so issued and sold, or the proceeds of the sale of such bonds, may be authorized and sold to carry out the plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to that effect.

996.35. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold, shall be determined by the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof.

996.36. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.37. The provisions, if any, for the redemption of said bonds at any time or from time to time, shall be determined by the date of issuance of the bonds.

996.38. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.39. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.40. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.41. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.42. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.43. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.44. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.45. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.46. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

996.47. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date, shall be determined by the date of issuance of the bonds.

New Bank Official Takes Up Duties In Truckee

Oliver J. Larrivee has been appointed to Truckee branch of Bank of America as assistant cashier and chief clerk, it was announced today by R. E. Saunders, Jr., manager.

Larrivee's appointment is also a promotion, it was pointed out, since the new assistant cashier has progressed from teller trainee to present assignment.

A native of Fall River, Mass., he joined Bank of America in San Francisco in 1947, later served in Grand Lake branch and Castro Valley branch. For the past year he has received special training in the bank's headquarters.

A member of the American Legion and of the American Institute of Banking, he is married and is the father of two children.

Alpine Leads Counties In Deer Production

SACRAMENTO — Tiny Alpine County jumped into the lead of deer producing areas as the inland season got underway with more than 100,000 hunters thronging to the Sierras.

Scattered that returns to the Department of Fish and Game show that the first four days of the inland season are slightly behind last year in hunter bag. The 1954 count shows 2586 deer taken as compared to 2782 at the same date last year.

Unseasonal hot weather has been blamed by hunters for the lower bag, but this situation is expected to improve before long as surveys show plenty of deer and in excellent condition.

Department game wardens reported the Alpine deer in remarkably good condition, although the majority taken were forked horns. Some big deer were being taken throughout the Sierras.

Traffic Within State Shows Gain In Report

SACRAMENTO (CNS)—Although results of this year's statewide traffic count showed a decrease in interstate travel, traffic within California increased more than 6 per cent over last year, the state department of public works announced.

The department said the annual count was taken Sunday and Monday, July 18 and 19, and compared with traffic statistics gathered a year earlier.

According to the department, monthly counts showed freight truck traffic increased "at a substantially faster rate" than passenger car traffic. Also, much smaller increases in Sunday traffic, as compared with weekday increases, were noted.

A department official said expanding mileage of metropolitan freeways accounted for the increased intrastate traffic, offsetting the decrease in interstate travel.

Safety Session Ends At Sacramento With Many Recommendations Made

SACRAMENTO (CNS)—With a long series of recommendations directed toward solving the state's growing traffic problem, the governor's fifth annual Traffic Safety Conference wound up here, counting an attendance of nearly 1200 persons.

The commercial vehicle division of the conference heard Vern Cannon, legislative representative of the California Teamsters Legislative Council, promise that his organization would ask that the entire motor vehicle code be repealed and rewritten.

Organization of a statewide traffic safety organization, to be non-political and privately financed, is nearing completion, the public participation division was advised. Autonomy of local chapters and safety organization would be preserved under the plan being worked out.

For teen-agers, a statewide standard procedure was recommended for handling of cases before trained juvenile hearing officers. Also, it was recommended that successful completion of behind-the-wheel training be a requirement for obtaining an original operator's license.

Extension of the driver training courses in the public schools was urged by the education division.

Uniformity of traffic enforcement procedures, use of electronic instruments to enforce speed laws, chemical test programs to detect drunk drivers were a few of the recommendations of the traffic enforcement division of the conference.

Posted speed zones, and turn-outs for lumber and other trucks in Humboldt, Del Norte and Mendocino counties were among other recommendations.

Bidders are required to furnish bond, or certified check in an amount equal to ten per cent (10%) of the total bid.

By order of the Governing Board of the Tahoe-Truckee Unified School District

Hunters Still Have Time To Apply For Shoots

Waterfowl hunters wishing reservations on public shooting areas for the six remaining dates during November still have time to apply at the Department of Fish and Game.

Applications for Wednesday, November 3, must be at Fish and Game Headquarters, 926 Jay Street, Sacramento, by Monday, October 20. Other deadline dates are as follows:

October 23 for November 6 shooting, October 24 for November 7, October 27 for November 10, October 28 for November 11, and October 30 for November 13, closing day of the first half of the split season.

Reservations are made by drawing applications. In case there are not enough reservations to fill the daily shooter quota, vacancies will be filled on a first come, first served basis except at Grizzly Island.

Observe Anniversary

Mr. and Mrs. John Shreck of Sacramento are expected home following a trip to Pittsburgh, Pa., where they went to observe their 53rd wedding anniversary. Shreck was the contractor on the Tahoe Forest Hospital here and is widely known throughout the area.

Indifference Blamed For Youth Delinquency

EUREKA—Indifferent citizens must shoulder some of the blame for the rising rate of juvenile delinquency, Paul Leake, member of the state board of equalization from Woodland, stated here.

In an address before the Soroptimists, Leake called for public reaction to the fact that juvenile delinquency is increasing five times faster than the teen-age population.

He declared a direct relationship exists between lax liquor control administration in California and the juvenile delinquency rate of the state.

"As citizens and parents, we can do much," Leake asserted. "We can make a beginning by voting in November for the proposed constitutional amendment removing liquor control from the board of equalization and vesting it in a new and separate department of liquor, of which the director and three-man appeals board would be appointed by the governor, subject to confirmation by the legislature."

HONEY PRODUCTION
SACRAMENTO (CNS)—State agricultural officials have estimated honey production in California during 1954 at 33,831,000 pounds, 43 per cent more than last year.

Miss Finger Reports On CSF Meeting ; To Hold Conclave Here

The statewide California Scholarship Federation for Advisors met October 15 and 16 at Sonoma Mission Inn at Boyes Springs. After planning and discussion by the board of advisors, there was a meeting of representatives.

Reports from each district of CSF include the work accomplished, awards received and the new chapter installed. Then the large group met in the famous dining room for dinner. George Nagata from Stockton College, played Tchaikovsky "Concerto in D Major" for the violin. Stuart Ward, executive secretary of the Commonwealth Club of San Francisco, spoke on "Communist Techniques of Infiltration in American Organizations."

The representatives from some leading colleges and universities explained the improved system for evaluating the worthiness for awarding scholarships. Many schools of higher learning all over the United States offer CSF scholarships for seal bearers—those CSF members who have been in good standing for two of their last three years in high school. The seal of CSF is embossed on seal bearers' diplomas and transcripts and these students are given special consideration.

Tahoe Truckee High School CSF Advisor Thelma Finger, attended this conference and started plans for the spring meeting of the northern section to be held the last part of March. The initiation of the new members of our chapter will take place this November.

Those students who qualify for CSF membership are: Seniors: Diana Abbott, Lewis Fellows, Barney Gilmore, Bill McClain, Jay Stuart Loma Sorenson, president. Juniors: Gary Anderson, Judy Loynd, Kermit Norris, Duane Jomin, Lee Rich, Clarita Richards, Virginia Speeter. Sophomores: Karen Decker, treasurer, Linda Loynd secretary; Carol Street, Carol Trent, Nikki Ann Wing. Freshmen: Associate members: Richard Griffith, Barry Graton, and Kenny Vaughan.

BANK AGAIN WILL PRESENT AWARDS TO HIGH SCHOOLS

A total of \$35,600 in cash awards will be made available to graduating students of California high schools again next spring through the Bank of America Achievement Awards program, it was announced today.

S. Clark Beise, president of the statewide bank, said that the program is being offered in 1955 for the sixth successive year in northern California "in order to stimulate and encourage California youths in academic, vocational, and citizenship training."

As in the past, awards ranging from \$100 to \$1000 each in cash, in addition to several thousand certificates and cups, will be presented to senior students who have shown during their high school careers promise of future success and service to society.

In northern California, two sections of the program are scheduled. Next May some \$8600 is to be awarded in the selection event in San Francisco for schools of the nine Bay counties. Seniors from high schools in the 36 counties north of and including Kern, excepting the San Francisco area, will share \$9400 in cash awards following judgments in Sacramento in the same month.

The program begins in the high school, where certificates and cups are awarded, and proceeds through zone selections into the final event.

Open to private and parochial schools as well as public, the program is participated in by approximately 300 northern California secondary schools.

The suppression crew from the Truckee office of the Forest Service was called out twice Saturday but in both cases the fires were small and stopped before the truck arrived.

CHURCH ACTIVITIES

The Methodist Youth Fellowship is having its Halloween party a week early. Friday night at 7:30 the party will take place and a gala time is expected by all. Neva Harris is in charge of decorations, Vicki McKurtis in charge of refreshments and Glenda Lahey is working with Rev. Osman on games and equipment.

The Sunday evening Fellowship is now undertaking a series of discussions on the topic, "What It Means to Be a Christian."

This Sunday Rev. Osman will deal with the whole area of "Christian Witnessing," in his morning sermon. On Monday the Osmans will leave for a vacation period and will return on November 10. They will visit relatives in Los Angeles and Bay areas.

Delegate Returns From Masonic Grand Lodge

KINGS BEACH—Mr. and Mrs. Tom Lucas have returned home after he attended the grand lodge of the Free and Accepted Masons of California which concluded its 105th annual communications meeting at San Francisco last week. The week-long meeting began Monday, October 11.

Henry Christian Clausen of San Francisco was elected and installed as grandmaster for 1954-55. More than 636 lodges, with a combined membership of 220,000 were represented at the meeting.

Treated for Injury—

Aaron Thomas, 16, received an injury to his knee at the football game between the Wolverines and Stewart Indian School on Saturday and was treated at Tahoe Forest Hospital.

From Roseville—Mr. and Mrs. Nate McGrary of Roseville were local business visitors last weekend.

To Folsom—

The E. E. Payen family have left their Sardine Valley ranch to return to Folsom.

Kolos Guest—

Mr. and Mrs. Steve Kolos had as their weekend guest his father, Carl Kolos of Yuba City.

Mr. and Mrs. G. B. Huston have left Tahoe City for their winter place at Ft. Bragg.

Personal Attack On Governor Backfires In Public Expression

The irresponsible personal attacks made on Gov. Goodwin J. Knight by his opponent, Richard Graves, have boomeranged against the Democratic candidate, it became evident this week.

Hundreds of letters and wires expressing commendation and support for the governor were being received at his office. Newspapers spoke out editorially. Prominent citizens—Democrats and Republicans—issued public statements. This newest evidence of the high esteem in which Governor Knight is held by Californians of all parties followed closely upon the storm of protest aroused by the now thoroughly discredited charges leveled by Graves.

Senator Randolph Collier, chairman of the senate transportation committee, and known as the father of California's modern highway program, warmly praised Governor Knight's keen interest and constant help in expanding and improving the state highway program during his terms as lieutenant governor and governor. He said:

"I can safely say that no governor of California has had a more comprehensive knowledge of California's highway needs, nor a greater awareness of the problems in even the most remote parts of the state than Governor Knight."

BIRTH DATES

Mrs. John Street was feted on her birth date, October 19. Lorrin Ferdinand who shared the same date celebrated with his family. Diane, daughter of Mr. and Mrs. Hes Cardinal was the incentive for a birthday party on October 14.

Susan, daughter of Mr. and Mrs. Charles Olano, who was 5 years old on October 9 was feted at a party on the following Friday after the family's return from Fallon, Nev.

Halloween decorations were used for the favors. The following young guests played games: Twila Lee Barber, Ronnie Walker, Gary Kehm, Lynn Quarty, Eileen Olson, Darby and Michelle DeLisle. Others included Mesdames G. Gini, J. H. Bernard, Art Kehm, Ernest DeLisle.

Rablins to Roseville—

Mr. and Mrs. O. J. Rablin who have been here for several months have returned to Roseville.

Hastes South—

Mr. and Mrs. William Haste are planning to leave Tahoma this week for Gardena.

Mrs. M. L. Helgerson of Carmelian Bay is now in Missoula, Mont.

CARD OF THANKS

We take this means of expressing our most sincere thanks to our many friends for their kindness during our recent bereavement. Your expressions of sympathy will long be remembered.

Tarzan

by EDGAR RICE BURROUGHS

KING MOGU TOLD THE APE-MAN ABOUT A STRANGE PHENOMENON THAT TERRIFIED HIS VILLAGE-- MANY WARRIORS HAD DISAPPEARED WITHOUT LEAVING A TRACE!

AND NOW EVERYONE WAS AROUSED BY THE URGENT VOICE OF A NEW ARRIVAL. "MY PEOPLE--COME QUICKLY!"

TARZAN AND THE VILLAGERS WERE ELECTRIFIED INTO ACTION AND ALL BUT THE CRIPPLED MOGU RACED AFTER THE EXCITED NATIVE--

WHO, A SHORT DISTANCE AWAY, SHOWED THEM A SET OF FOOTPRINTS THAT ENDED MYSTERIOUSLY AND ABRUPTLY--ANOTHER WARRIOR VANISHED!

THE APE-MAN DECIDED UPON AN IMMEDIATE INVESTIGATION. "DON'T DESPAIR," HE CALLED TO THE BEWILDERED NATIVES, "--AND GO BACK TO YOUR HOMES."

TARZAN SYSTEMATICALLY CIRCLED THE TERRITORY, A FRUITLESS SEARCH--UNTIL HE SUDDENLY DISCOVERED A STRICKEN WARRIOR BEING ATTACKED BY PREDATORY HYENAS!

THE SULTAN OF BEDSORE IS A VERY SICK ABSOLUTE MONARCH!!

I HAVE GRAVE FEAR THAT OUR RULER WILL NOT LAST THE NIGHT UNLESS WE DISCOVER SOMEONE WITH THE BLOOD TYPE XXX!

BLOOD TYPE (SHUDDER) XXX! BUT THERE ISN'T A SINGLE INDIVIDUAL IN BEDSORE WITH THAT RAREST OF BLOOD!!

A MESSAGE FROM OUR INVESTIGATORS IN AMERICA! AS SOON AS I LEARNED OF OUR SULTAN'S HOPELESS CONDITION, I SENT MEN TO SCOUR THE WORLD FOR ANOTHER TYPE XXX!

AND THEY HAVE ACTUALLY DISCOVERED ONE! HE'S ON HIS WAY HERE!

GIMME A QUICK RUNDOWN ON THIS SULTAN OF YOURS, BOYS. I LIKE TO KNOW WHO'S GETTIN' MY BLOOD!

OUR RULER IS KNOWN FROM ONE END OF BEDSORE TO THE OTHER AS RIMI THE SHY! IN THE PRESENCE OF A WOMAN HE BLUSHES REDDER THAN MAY WINE AND SEEKS TO ESCAPE. HE HAS ANOTHER ENDEARING QUALITY--

THAT AIN'T ENDEARING, BUSTER-- THAT'S STUPID!

-- HE IS MAD ABOUT BATHING! HIS PALACE IS A VERITABLE NEST OF BATHTUBS AND SHOWERS. HARDLY AN HOUR PASSES WHEN THE SULTAN DOES NOT THOROUGHLY CLEANSE HIS BODY!

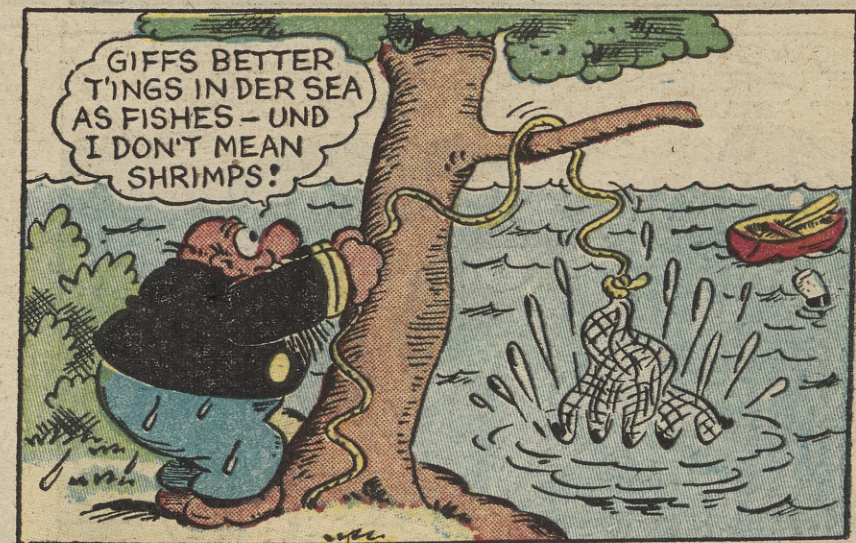

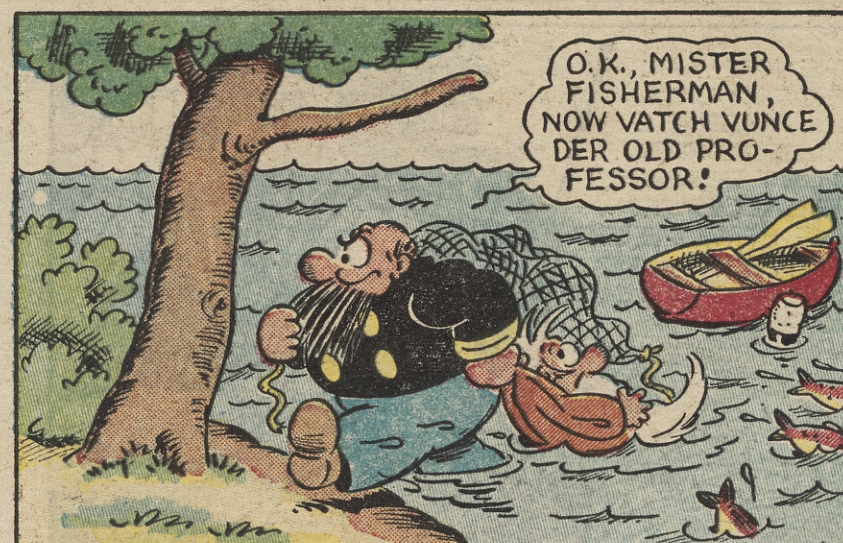

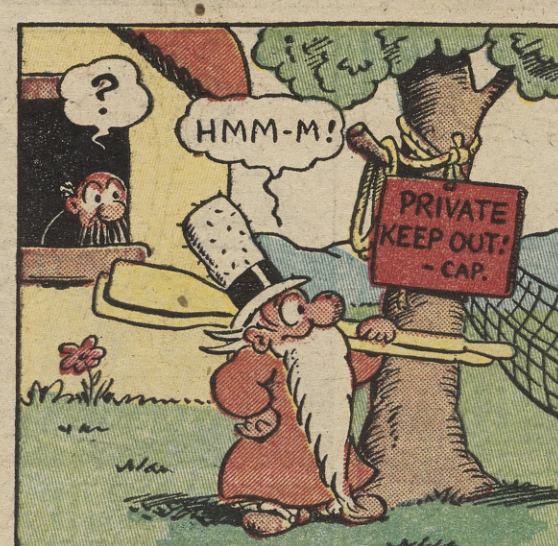

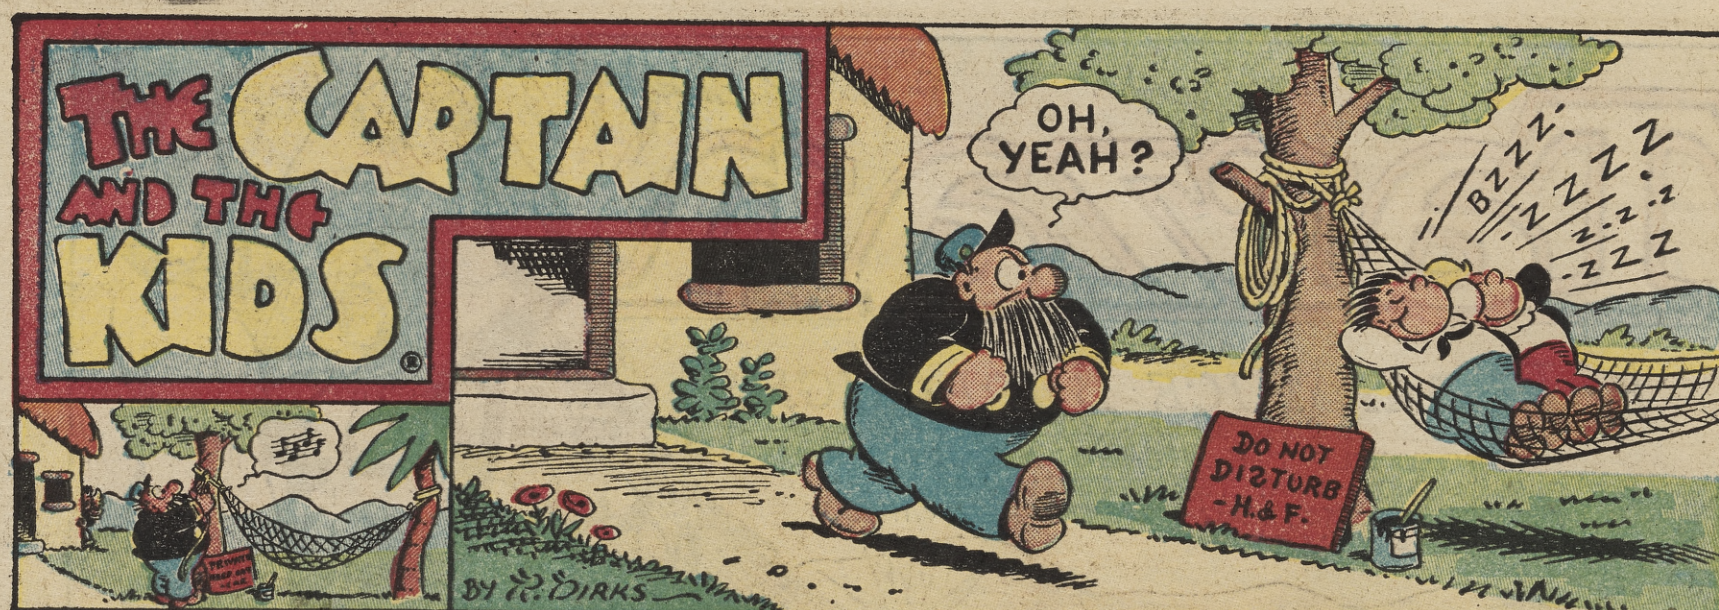

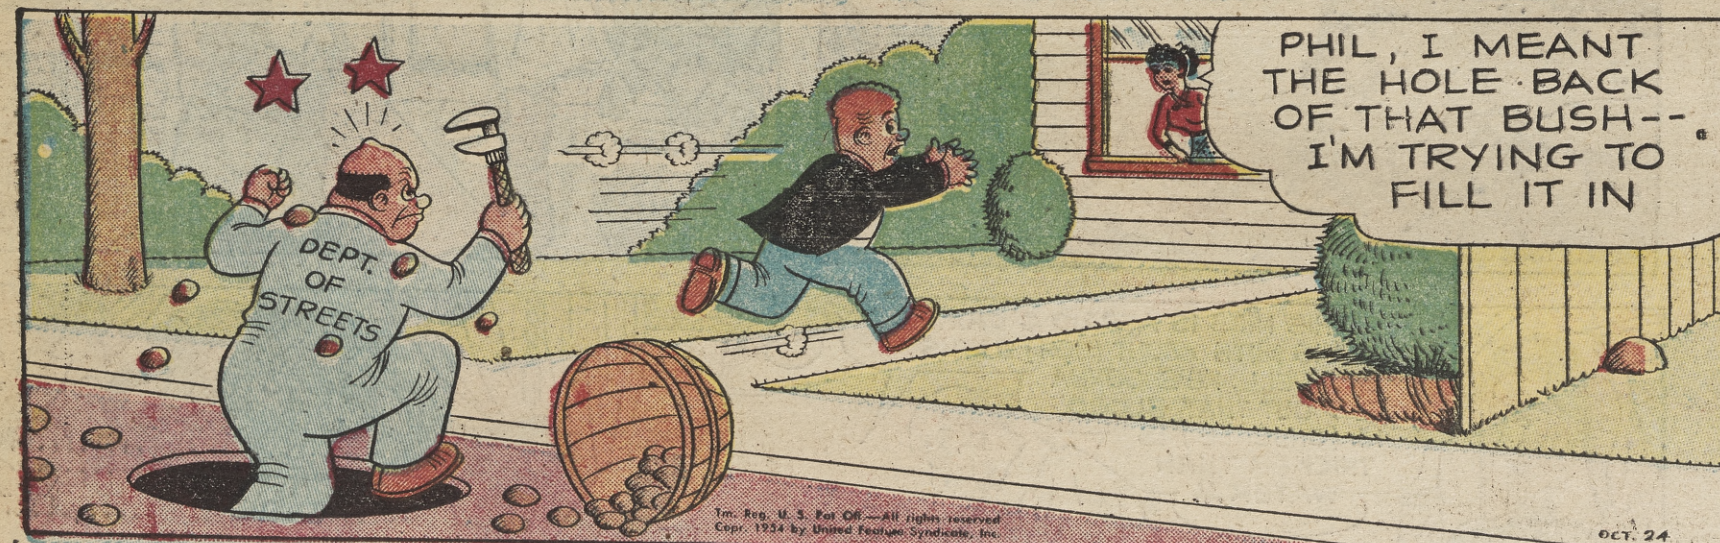

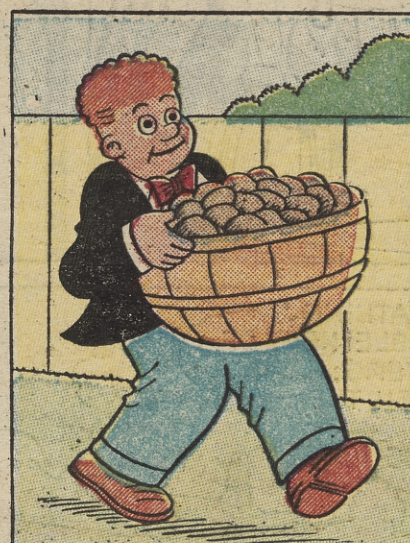

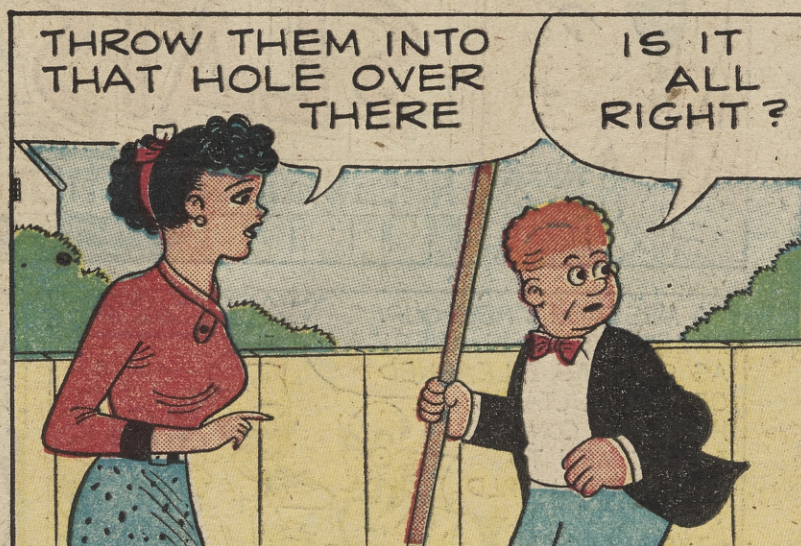

WELCOME, TYPE XXX! THERE IS NO TIME TO WASTE. WE HAVE ARRANGED FOR A DIRECT TRANSFUSION.

SO HIS NIBS IS AFRAID O'DAMES AND IS NUTS ABOUT (UGH) BATHS, EH? WELL, HE'S GONNA FIND OUT THAT BLOOD IS (CHUCKLE) IS THICKER THAN WATER!!

FOR THE FIRST TIME IN ANY ZOO ANIMALS WITH NOCTURNAL INSTINCTS WHO USUALLY NAP ALL DAY CAN BE SEEN MOVING ABOUT...

IN BRISTOL, ENGLAND, THE LIGHTS ARE KEPT BURNING AT NIGHT IN THE ZOO, AND THE PUBLIC CAN WATCH KINKAJOUS, DESERT RATS, ARMADILLOS, DOURACOUIS, TREE PORCUPINES, SLOW AND SLENDER LORIS--THEIR ACTIVE HOURS REVERSED

STRANGE as it seems

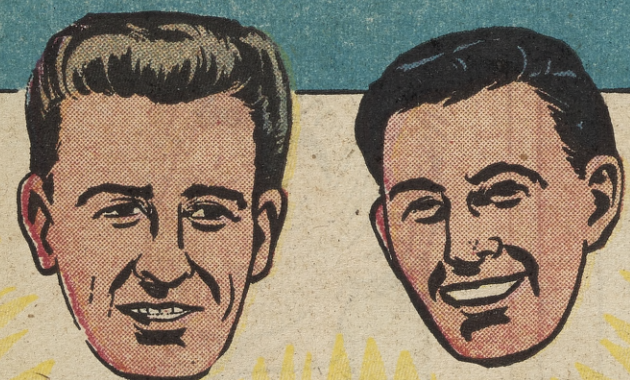

ELSIE HIX

VIC HERSHKOWITZ -- a Brooklyn fireman, IS THE FIRST HANDBALL PLAYER TO WIN 15 CHAMPIONSHIPS!

A BIBLE WRITTEN ENTIRELY BY HAND IS OWNED BY THE CHICAGO BIBLE SOCIETY... THE BOOK CONTAINS 1,111 PAGES AND MOST OF THE VERSES WERE WRITTEN BY DIFFERENT PEOPLE VISITING IN THE CHICAGO RAILROAD FAIR IN 1949

10-24

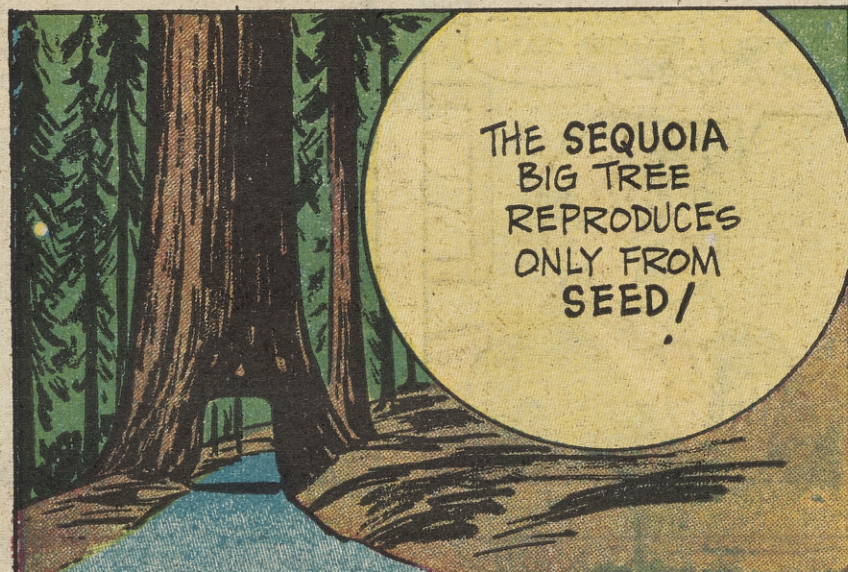

MRS. GEORGE ROSS, of San Fernando, Calif., HAS A SON AND A SON-IN-LAW NAMED RICHARD ROSS...

BOTH ARE CALIFORNIA NATIVE SONS-- BOTH WERE BORN IN JANUARY AND BOTH ARE SERVING IN THE NAVY... THE MAIDEN NAME OF THE MOTHER OF BOTH BOYS IS THE SAME-- RASMUSSEN-- BUT ARE IN NO WAY RELATED...

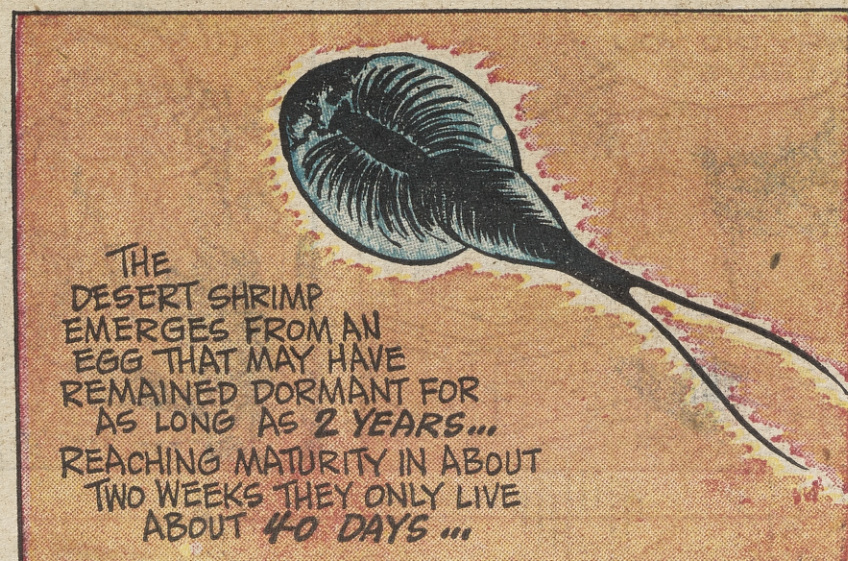

THE CATERPILLAR IS NOT AN IMMATURE BUTTERFLY. THE VARIOUS BODY CELLS WHICH BECOME A YOUNG BUTTERFLY ARE CONTROLLED BY HORMONES AND ARE CONTAINED IN AN INACTIVE FORM WITHIN THE CATERPILLAR DURING ITS LIFE CYCLE...

THE SEQUOIA BIG TREE REPRODUCES ONLY FROM SEED!

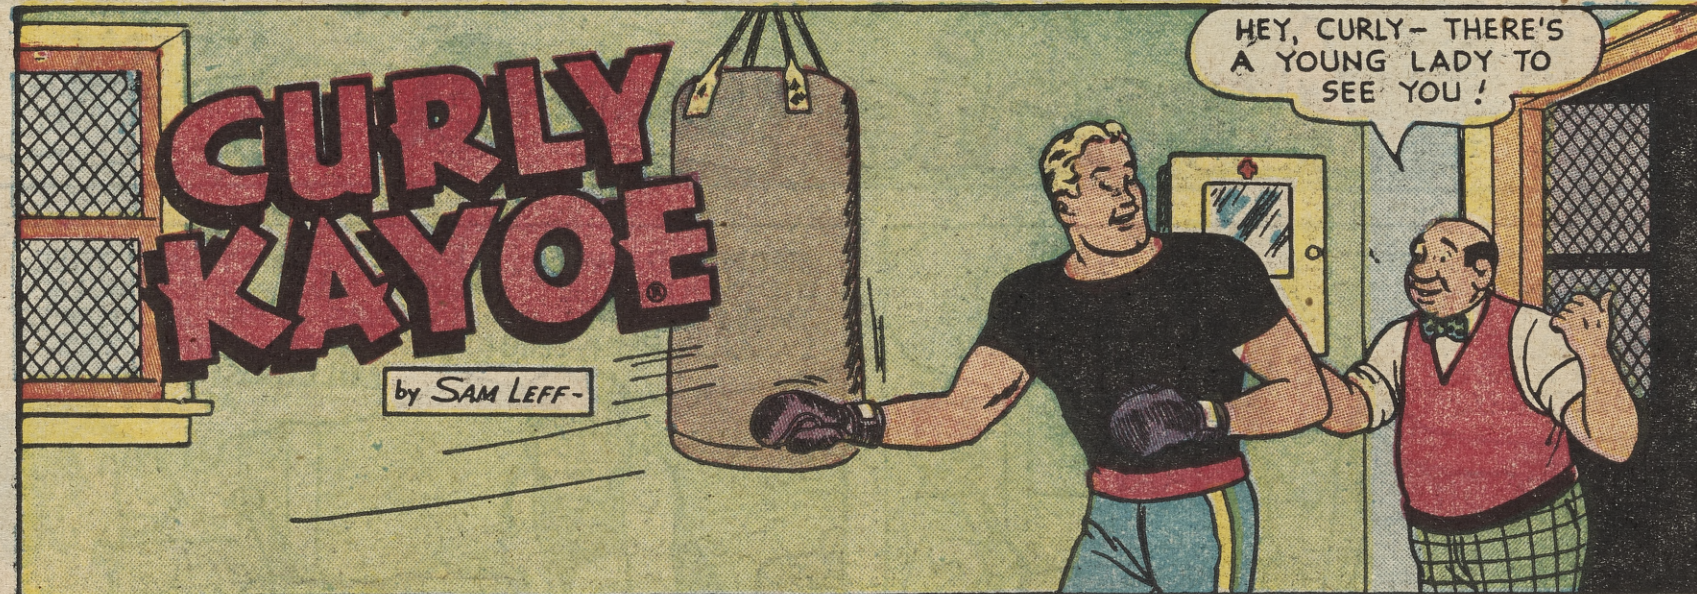

THE DESERT SHRIMP EMERGES FROM AN EGG THAT MAY HAVE REMAINED DORMANT FOR AS LONG AS 2 YEARS... REACHING MATURITY IN ABOUT TWO WEEKS THEY ONLY LIVE ABOUT 40 DAYS...

CURLY KAYOE

by SAM LEFF

HEY, CURLY-- THERE'S A YOUNG LADY TO SEE YOU!

MY GROUP CAN RAISE A LOT OF MONEY FOR THE HOSPITAL FUND IF WE CAN SPONSOR A FOOTBALL GAME PLAYED BY PRIZE FIGHTERS!

YOU CAN COUNT ON ME, MISS! I'LL ROUND UP ALL THE PLAYERS RIGHT NOW!

...AND I PROMISED TO ORGANIZE THE TEAMS! WHAT DO YOU SAY, FELLAS?

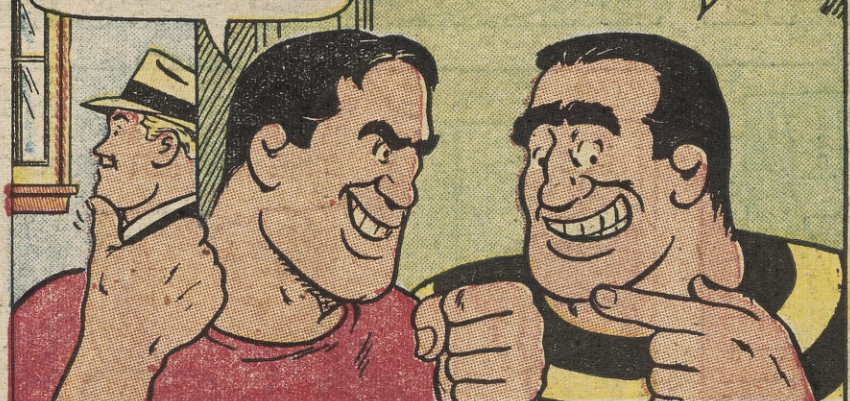

NOTHIN' DOIN'! I AIN'T DOIN' NOthin' FOR CHARITY!

WAIT! MAYBE I CAN CHANGE AL'S MIND! 'SCUSE US A MINUTE, CURLY!

LISTEN, AL! THE BOTH OF US WUZ K.O.'D BY CURLY-- IF WE GOT HIM ON A FOOTBALL FIELD WE COULD EVEN THE SCORE!

HEY! YOU'RE A MENTAL GENIUS, BILL!

BILL CONVINCED ME THAT WE SHOULD DO OUR BIT FOR CHARITY...

THANKS A LOT, BOYS!

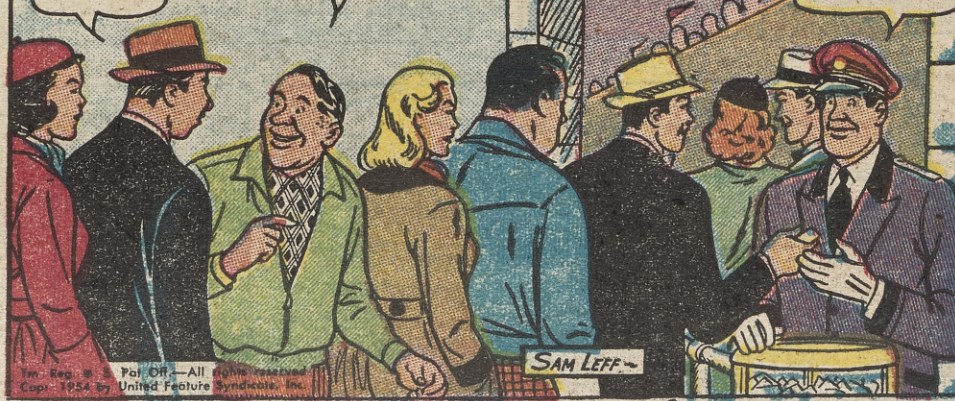

THE STADIUM FILLS RAPIDLY ON THE DAY OF THE GAME!

EVERY CELEBRITY IN TOWN IS HERE!

I SAW PERRY COMO, KITTY KALLEN AND GUY LUMBARDO!

HURRY ALONG, FOLKS! THE GAME STARTS IN A FEW MINUTES!

HAW! NOBODY'D SUSPECT I'M WEARING BRASS KNUCKLES! BUT CURLY'S GONNA FEEL 'EM!

MY SHOE TIPS ARE COVERED WITH LEAD AND CURLY WILL BE COVERED WITH BLOOD AFTER I CONNECT WITH HIM!

CONTINUED!
